Sd/- The suggestion of the Registrar 23/3/42 of Cooperative Societies that the opportunity could be availed of to enter into a reciprocal arrangement with the Govt of Madras is perhaps more constructive But this Dept of I & C would merely welcome the levy of octroi on handloom goods imported from outside the State

In case the competition from the neighbouring provinces is held as operating to the prejudice of the local handloom goods, even the reciprocal arrangement may not alleviate the problem, as clearly, the intensity of the competition would be emphasised The remedy would be worse than the disease

10 As an expert Committee is stated to be examining the question, it is for orders if the file may not be sent to the I & C Dept for this question being referred to the Committee before a reply is sent to the Madras Govt for opinion Especially now the Madras Market may not be so attractive as it would have been in normal times

The concurrent powers of the Registrar of Cooperative Societies & the Director of Sericulture to the effect that the levy of cocoon duty on imported handloom products manufactured in the State may be continued may be accepted, as otherwise these indigenous industries, hard hit as it already is, cannot stand the outside competition. The present time is not also opportune to enter into any reciprocal arrangement with the Govt of Madras, as suggested by the Registrar C.S., in this behalf.

Further, exemptions can be granted generally on the recommendation of the M.L. be concerned, as otherwise the local body will have a cause for complaint as its revenue would be lost. This is not a fit case wherein general exemption could be sanctioned.

If approved, a polite reply may be sent to the President of the Provincial Co-operative Society Ltd, stating that the request cannot be complied with.

SIR

Subject Exemption of the levy of Octory duty to the handloom goods to the Mysore by the Handloom Weavers' co-op societies -

Ref ***

As you are aware, the Madras Handloom weavers' Provincial Co-operative Society Ltd was brought into existence under the Government of India Subvention cheme with a view to develop the handloom weaving industry The goods produced by some of our affiliated societies find a sale in Bangalore and in other places in the Mysore state, we have also recently reorganised the branch of the Kodur Fruit Growers' Co-operative Soci-ty situated in 18 New Market Frontage, Bangalore City, to sell our goods

It was represented to us by the above agency and by our Marketing Officer that with the addition of Octroy duty levied by the state, it has been found difficult to sell our goods, since the prices of our handloom goods are already sufficiently high due to the present abnormal rise in the cost of raw materials

We therefore request you to kindly move your Government to exempt the finished products of our affiliated weavers' co-op

P T O

societies from the levy of Octroy duty and thus help our societies

Thanking you,

B. D. Sharma

Sir,

Subject Exemption from the levy of octroi duty on Hand Loom goods sent to Mysore for sale by the Madras Hand-Loom Weavers' Provincial Co-operative Society, Ltd

---

With reference to your letter No L 6299 dated 26-1-1942 on the above subject, I have the honour to state that Government have, in their order No L 326-38/M L 85-39-6 dated 19-7-1939, b en pleased to direct that hand loom products manafactured within the State be exempted from the payment of octroi duty subject to their being certified by the Industri and Commerce Department There is no doubt that by the grant o such a concession to the Madras Hand Loom Weavers' Provincial Co-operative Society, Ltd , the local hand loom industry will b affected to some extent particularly in view of the fact that that society has been receiving special grants and subventions from the Government of Madras In connection with the development of Hand Loom weaving in the state wh ch is under the consideration of an expert committee, it has been proposed that markets for the Mysore hand loom products outside Mysore especially in the Madras Presidency should be explored and sales

sales emporiums or sales agencies started in important trade centres in Madras If the Government of Madras is agreeable to sanction the concession of the exemption from octroi duty to Mysore Hand Loom products sent to the Madras Presidency for sale in the sales emporiums started by the Government of Mysore, it would be very helpful and reciprocal arrange ents may be entered into

I find that the letter under reference has been addressed by the President of the Madras Hand Loom Weavers' Co-operative Society, Ltd , direct to our Government If the Government of Madras had moved in the matter, it would have been easier for our Government to enter into reciprocal arrangements above referred to I, therefore suggest that the President of the abov society may be asked to apply for the concession through the Government of Madras

I have the honour to be,
Sir,

With reference to your Memo No L 6298/L dated 26th January 1940 on the above subject I have the honour to state that as things stand the Mysore Handloom Industry is hit-hard on account of the competition of Madras Handloom Products The way in which the Kolhapur handloom Industry has lost its flourising position due to the competition from the neighbouring provinces is an instance which calls upon us to protect the interests of our industry by all means available to us

I am therefore of opinion that the levy of Octroi Duty on the imported handloom goods from outside the State may be continued
